When time has past and school days are just a memory, then may our SHENANDOAH be a reminder of all the joys and sorrows we have experienced together here at our beloved academy.

The Annual Staff

Dedication

GRACE ASHTON

Because of her untiring efforts and her personal interest in each one of us; her thoughtfulness day by day to help solve our problems; because her vision of the future has brought new hope to us, as students, we proudly dedicate our "Shenandoah" to a wonderful friend and teacher.

The Annual Staff

Principal's Message

The youth of today are living at a time when the world presents a distracting picture; uncertainty and distress are present everywhere. The world needs a power that transforms the character of its youth—a vision which puts true value upon life, an understanding which places spiritual values above all else.

If you want a training and an experience which will serve as a challenge to you to help a hopeless world, you will find it in the devotion of your life to a worthwhile course in behalf of your fellow men.

The world needs strong Christian young men and women of deep conviction—young people of faith and genuine courage.

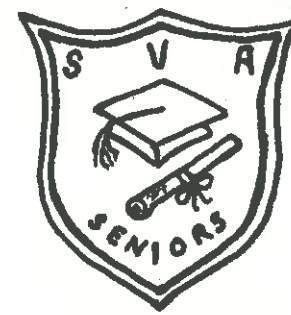

We invite you young people to consider Shenandoah Valley Academy in your plans for the future.
