Earn A Scholarship

Don't lean on dad in these hard times—his load is heavy enough now. Earn your scholarship for next year by selling our truth-filled books and magazines during the summer vacation. Others will—you can too. Don't tell yourself that you cannot return to school next fall, you can. Here are the simple facts, without one word of adornment: The average student colporteur dreads his task until he gets into it, enjoys it after he gets started, succeeds according to his industry and ever after looks back upon the experience as the happiest of his whole career. To come to any other conclusion one must read the history of our student colporteur work upside down.

Summer Mornings With Your Books

Morning hours devoted to study will not only pleasantly occupy the mind and keep up its tone, but will yield school credit very useful later on. No student who is in health and intellectually wide-awake wishes to spend his entire summer vacation without some study. By using one's spare time, one can meet the requirements of one full unit academic credit during the summer, and have a very good time into the bargain.

The HOME STUDY INSTITUTE is open all the year, and it offers a full line of college and academic studies. Its work is accredited in all our own educational institutions, and in many others where its high character is known. Tell us of your needs at once, and let us help you get started. Our new catalogue is yours for the asking. Tuition costs may be met in easy installments. The enrollment sent into us before you leave school will insure your receiving the lessons and textbooks in time to start your vacation right.

Academic Training

Shenandoah Valley Academy is a fully accredited High School and offers training in a Christian environment.

College Training

Washington Missionary College, located in the nation's Capitol, stands as one of the best of the denominational training schools.

Nursing Profession

Washington Sanitarium and Hospital is not only one of the best-equipped institutions in the East for helping the sick, but it offers a very exceptional course of education in nursing.

Evangelism

Territory containing over three million people, scattered in 20 cities and 100 counties, offers invitations to the labors of those wishing experiences in lay-evangelism, home mission work, and colporteur literature ministry.

Medical and Dental Professions

Earnest, efficient Seventh-Day Adventist doctors and dentists will find many inviting locations in city, town, and country places. Our staff stands ready to help those seeking suitable locations for future work.

Before You Travel

too far in seeking a field for earnest work consider the favorable climate and innumerable inviting spots in the mountains and plains of our richly historic Virginia. We invite personal visits of those interested in this territory, and all inquiries will be given considerate and prompt attention.

We feel that our best advertisement is the fact that year after year we print the same annuals. There are several reasons we say this. In the first place it signifies complete satisfaction on the part of the customer. Then too it means our service has been on or above par. We have enjoyed working with you again this year and trust that our efforts have helped you fulfill your desires and that you are again completely satisfied.

Attention

Among the advertisers on the preceding pages of this book there is something of interest to you. Look for it—get acquainted with our advertisers—patronize them—for their co-operation and appreciated kindness made this annual possible. Thank you.
