We, the Senior Class of 1940, do respectfully
dedicate our annual to the memory of our
beloved classmate, Martha Jane Souders.

We will know why clouds instead of sun were over many a cher-
ished plan; why song has ceased when scarce begun; some time
we'll understand.—Selected

My Pleasantest Summer Vacation

"My pleasantest summer vacation," wrote a wide-awake college senior, "was the one in which, besides having all the usual good times with my friends, I devoted a little spare time to taking a Home Study course in, and earned some valuable credits."

The Home Study Institute offers a full line of college and academic studies. Its work is accredited in all our own educational institutions and in many others where its high character is known. Payment can be made on the installment plan. Tell us of your needs at once, and let us help you to get started. The enrollment sent in to us before you leave school, or immediately after you reach home, will insure your receiving the lessons and textbooks in time to start your vacation right.
