HENRY G. HADLEY, M. D.

We, the Senior Class of 1941, do respectfully
dedicate our annual to Dr. Henry G. Hadley
in appreciation for the valuable service
that he has rendered to our school.

What he's written, what he's said,
Won't be thought of when he's dead;
But his actions—what he's been—
Will remain in minds of men.

STUDENTS!

There's Work for You to Do

"Not alone from the pulpit are the hearts of men touched by divine truth. There is another field of labor, humbler, it may be, but fully as promising. It is found in the home of the lowly, and in the mansion of the great; at the hospitable board, and in gatherings for innocent social enjoyment."—*D. of A., p. 152*

LIFE AND HEALTH will open the doors of the homes of the lowly and the mansions of the great. None is too poor to pay ten cents for a copy, and there are many who want subscriptions for one, three, or five years. LIFE AND HEALTH sells without prejudice, and opens the way for doctrinal subjects to find entrance to the heart. There is a scholarship plan that provides extra cash for students. Plan now to care for your school expense next fall. For further information, write to

FAVORITE SUBJECTS FOR THE SUMMER VACATION

■ "I save my favorite subjects for the summer," said a wide-awake student the other day. "Then I can pursue them at my leisure under the guidance of the Home Study Institute, and return to school in the fall with extra credits that are very useful. I couldn't enjoy the vacation without some study to occupy my leisure minutes."

The Home Study Institute offers a full line of college and academic studies. Its work is accepted at full value in our own educational institutions and in many others where its high character is known. Payment can be made on the instalment plan. Tell us of your needs at once and let us help you get started. The enrollment sent in to us before you leave school, or immediately after you reach home will insure your receiving the lessons and textbooks in time to start your vacation right.
