Mrs. W. C. Hannah

The Staff of the 1949 SHENANDOAH considers it a privilege to dedicate this Annual to one whose careful consideration of our problems, and personal interest in our well-being; and whose cheerful and friendly counsel in times of our uncertainties have endeared her to each of us. It is with appreciation that we present this token of esteem and respect in dedication of the SHENANDOAH to Mrs. W. C. Hannah.

F A C U L T Y

Principal W. C. Hannah

We are living in the days of opportunity. Never was there a time when reliable, responsible and well trained young men and young women were in greater demand than they are today.

God's cause needs you and the world is bidding for your services.

Shenandoah Valley Academy was founded many years ago to train young Seventh-day Adventists for work in God's cause and prepare for life's responsibilities.

We invite you young people to consider Shenandoah Valley Academy in your plans for the future.
