RECIPE for a PERFECT MATRON

- To a life imbued with charity
- Add benevolence and sympathy;
- Fold in Kindness mixed with tenderness;
- Blend with grace and patience limitless.
- Mold into a noble stately form;
- Top with silver; tint with sunshine warm.

Place amid Christ's youth for twenty years,  
 Wrapped in all their joys, their smiles, their tears.  
 Serve as Mother, Counselor, and Friend:  
 Gift that only God above could send  
 . . . our own Mrs. Deiter.

Administration

CLASS OF '57:

God led you here  
He taught you here  
He has still greater plans.

May you ever know His joy,  
companionship, and power  
in the surrendered life.

You will then soon  
know Him better  
in His eternal home.

## Senior Tell-Tales

Kenneth Dale Abbott - Wherever there is a game of baseball, football, or basketball, or most any other sport, you will find Dale. Why? Because he is one of our best athletes and he enjoys sports very much. Dale was Vice President of Sigma Beta Chi first semester of '56, and Sergeant-at-Arms of his Junior Class. He is always ready for a good laugh. Dale's ambition is to be a Physical Education Instructor.

Thomas David Amos - What is all the jabbering about? Jabbering!, that is Tommie practicing his Spanish. That guy loves Spanish. Tommie is head janitor at the Administration Building. Of course, instead of doing his janitor work, he would much rather be roller skating or playing baseball. Tommie has a special interest in Electronic Engineering for his life work.

James Theodore Burtmett - One of our more artistic senior boys is Jimmy. He has served on many decoration committees. He also drew the emblem for our Senior sweaters. Jimmy is known around S.V.A. for his swell drumming. He has been in the band and choir both years he has attended Shenandoah. One of Jimmy's favorite pastimes is roller skating. His ambition is to be a Commercial Artist. Our interests are with you, Jimmy.

Jean Ann Cash - Jean is one of our quiet, bashful, hard-working Seniors. Her life's ambition is to be a secretary. Although this has been her only year at Shenandoah, we have all learned to know and love her. She will make a wonderful housewife, too. How do we know? We have seen how nice and clean she keeps her room in the dorm.

Joan Crandall - "Aw come on now," This is what you might hear if you are around Joanie. She likes skating, and outdoor sports, but most of all, she likes to eat! One of her pet peeves is people who get up and make a lot of noise early in the morning. Joanie says she does not like Lenis with long hair, but I see Lenis does not pay much attention to her "roommate." Joan was Vice President of Thea Fia in '56, Secretary of Sabbath School '57, and one of our Sabbath School Receptionists. Her ambition is to be a Registered Nurse.

Richard Glenn Crowther - Richard has spent two years with us here at S.V.A. and has added much to our school since his arrival. He has participated in the band, choir, and Student Council. He appears quite interested in pretty girls and music. Bookkeeping class is his favorite dislike. Richard's ambition is to be a Businessman, and we are sure he will be a successful one.

David Norcliff Davies - Dave is one of our newer seniors who came to S.V.A. his senior year. He is partly responsible for the column you read in the Shen-Val-Lore, "Zirkle Zigs and Zags." Dave likes sports, good books, vacations, and breakfasts. Among his dislikes are study periods, cold showers and onions. Dave's ambition is to be an Author, or a Scientist and he has the ability. Good luck to you, Dave, in whatever you choose.

Lenis Irene Dean - Lenis has been Vice President of both the Junior and Senior Class. Her enthusiastic leadership for the Shen-Val Lore campaign this year was greatly appreciated by all the girls. Ingathering day was "tops" for Lenis also. She received the highest amount of money for any one person in the school. Much success to you "Menace" in your nursing career.

Dorothy Ellen Eichner - One of our newer class members is Dorothy Eichner, known as "Dee." Dee very much dislikes people who gossip, and people who are conceited. She also dislikes ironing white shirts, and I imagine she has a reason to, because she works in the laundry. Dee likes to skate and play volleyball. She likes horses very much also. You may hear her say "Goodnite!" Because that is her by-word. Dee plans to be a Nurse when she finishes school.

Ray Leroy Farwell - Ray is one of our students who has accomplished much while at S.V.A. He has given good temperance orations both years here at Shenandoah, winning first place his Junior year. Ray was Treasurer of the Junior Class of '56, President of Temperance Society, and Skate Master '56-'57. He enjoys playing football and eating pizza. Ray's ambition is to become a Medical Doctor. Much luck to you, Ray, in diagnosing all your patients' aches and pains.

Chester Ellsworth Fox, Jr. - Chester is one senior boy who does not like women. He would rather sit with a math or science book than a girl. Chester does not like to write letters, but he likes to receive them. After he graduates he wants to become a Mechanical Engineer. We hope Chester succeeds as an Engineer and learns to appreciate women. They really aren't so bad!!

James Stuart Goff - "Have everything under control?" We all know that this is Stuart's favorite saying. He is without a doubt, the muscle man of the Senior Class. He can often be seen at the gym working out with the barbells. Among his achievements, he is Treasurer of the Senior Class of '57, and Sergeant-at-Arms of the Boys' Club. He also has been a member of the choir both years that he has attended Shenandoah. After he finishes school, Stuart wants to work in the Business Field.

Irvin Allen Harrison - Irvin, known to most of us as "Irv," has only been at Shenandoah one year, but we have really seen some accomplishments in that short time. He has been Sabbath School Superintendent, Makeup Editor of the Shenandoah '57, and Vice President of the Seminar. Among Irv's many likes is sports. His major dislike is quiet people, which seems natural for Irvin as he is a cut-up and far from quiet. He would like to be a Dean or work in Public Relations. Much success to you Irv, in whatever field you choose.

Faye Louise Hanlein - Faye is from New Jersey, as are several of our students, and has attended S.V.A. for four years. She is known to most of us as "Fayelein." You will find her working diligently in the kitchen, as she has worked on "clean-up" after every meal her whole four years. She likes to Roller skate and swim. Her ambition is to be a Nurse, and we are sure she will make a good one.

Janet Regina Hevener - Janet is a happy-go-lucky sort of girl, and always trying to do something devilish. Her ambition in life is to be a Secretary, and she is sure to go far in the field of her choosing. Among her many accomplishments at Shenandoah are choir, Sextette, trio, and Sabbath School Secretary '57. She likes music and friendly people. As you may have guessed, Janet is well liked by everyone and quite friendly herself. "Goodnight!" is an exclamation she can be heard to say after most anything is said. "Jan" is a pleasure to have in our class as well as on the campus, and we are glad she could spend three years with us.

Marilyn Joyce Hoag - Although Marilyn has attended Shenandoah only two years, she has contributed much to the school and the class. She plays the violin very well and is often called on to give special music. Marilyn is the Secretary of our Senior Class. She has been Sabbath school secretary and a Sabbath school teacher. This year she is the make-up editor for our school newspaper. An interesting fact about Marilyn is that she has lived in India for thirteen years. Maybe that is the reason she wants to be a Missionary Nurse. Huh, Marilyn?

Rosemarie Hudson - "Rosemarie?" Who is that? We all know her as Snookie! She is that little dark-haired girl who greets you as you enter the chapel for Sabbath school each Sabbath. Snookie was Thea Fia President first semester of '56. She dislikes silly and conceited people, but among her likes are skating, swimming, and good music. Snookie's ambition is to become a Secretary. Good luck, Snooks.

Norma Jean Ivins - "No Joke," as Norma Jean would say, "I've enjoyed my four years at S.V.A." Norma is another one of our artistic students and has been very active and ambitious while here at school. She is Editor-in-chief of our Shenandoah '57, and has been President of Thea Fia '56, as well as other things. Her ambition is to be an Advertising Designer and has had a start by working with various decorating committees while at Shenandoah. Art, music, skating, writing, and pizza, as well as plain "having fun" are the main things she enjoys. We are proud of the many contributions Norma has made to our class and to our school.

Shirley Lee Lillya - Shirley is one of our quieter seniors, (so everyone thinks). Her favorite hobbies are roller skating and eating pizza. After she graduates from Shenandoah, she wants to become a Secretary. Snobbish people are her pet peeve. Lots of luck to you in the future, Shirley.

Alice Scemearl Mace - The girls in the kitchen are wondering how things will work, not having Alice on the crew next year. She is always on the job whether early or late to make sure our food is ready. Alice was one of our Sabbath school secretaries and Treasurer of Thea Fia first semester of this year. Her ambition is to be a Secretary, as is many other of our senior girls. The best of everything to you, "Missy Mace."

Doris Macko - Doris, better known to most of us as "Cookie," has contributed much in the line of music while at S.V.A. She has been a member of her Class's trio her Sophomore, Junior, and Senior years. She has enjoyed her four years singing in the choir also. Doris's ambition is to be a Secretary. Even though she dislikes English, her ability to write words for songs has really been used at Shenandoah. Much success to you in all you do, Doris.

Donald Ray Morgan - "Likes Ancient History! Who likes Ancient History?" Why, Don Morgan, believe it or not! Although that seems like an unusual interest, Don really does enjoy it. He also likes all kinds of outdoor sports. Don was one of our Sabbath school Superintendents this year, and was also a Sabbath school teacher '55-'56. Guard your teeth, because Don's ambition is to be a Dentist. He may start practicing now!! With Don you never know. Lots of success in the field of Dentistry, Don, and it's been swell having you in the class.

Patty Murray - Patty, better known as Pat, has a quick smile for everyone. She is Mrs. Milliken's right hand in the laundry and plans to be an Elementary School teacher. She enjoys good sports and good food but dislikes very much cold rooms and cold weather. Her favorite saying is "Oh, my stars." Pat is always a friend of the students and a pleasure to have around.

Stella Louise Nordstrom - Stella is one of our four year seniors. During her stay at S.V.A. she was a Sabbath School Superintendent, and taught a Sabbath School class of her own. Among her likes are pizza and roller skating. Stella is planning to be a Nurse, so you had better watch out!

Patsy Ruth Parks - "You say you need a Secretary?" Patty will be the girl for you. Just give her time to get her training. Patty enjoys being around nice, friendly people. If you are ever talking to her, expect her to say "Oh, My Cow," or "How about that?" She has been a Sabbath School secretary '57 and a help to her class.

Agne Lyndine Purdey - Lyndine is an artistic student who has served on a number of decoration committees, making posters, banners, etc. She helped make the banner for the "Katz" in the Shen-Val-Lore campaign. Among her likes are cats, music, and pizza. Her pet peeve is her slow roommate, and checking boy's laundry, as she works in the laundry. After "Lyn" graduates she wants to become a Missionary Nurse.

Trenton Leon Rickard - Leon desires to become a Line-o-type Operator or get into the line of Printing within the denomination. His main interest right now is a certain girl in Stanley, Virginia. "Don't dream too much, 'Hot Rod.'" Remember you still have studying to do. Don't ask Leon about anything unless you want an answer of "I'll be a dog if I know," or "You can prove it by me."

Clinton Leroy Rickard - Rick has been Pastor of the Boy's Club and enjoys comparing world affairs with the Spirit of Prophecy and the Bible. That is good preparatory work for the Ministry which is Leroy's ambition.

Zola Mae Sawdy - Zola has spent two years with us at Shenandoah, and in that short time we know her as a fun-loving kid. She likes sports, reading, and cooking, but has a dislike for conceited people. Her ambition is to be a Nurse and we are sure she will succeed.

Emma Lou Self - Where there is laughter and fun, there is Emma. She is known here at S.V.A. for her good sense of humor. Among Emma's likes are skating and swimming. As her vocation, Emma has chosen to be a Certified Public Accountant. Much success to a sweet girl.

Faye Etta Self - "Who is making all that noise at this hour of the morning?" It is just Faye going to work. She very much dislikes getting up at five o'clock in the morning to work in the bakery. Faye was our Sabbath School Secretary for the first semester of '56. She was also Sergeant-at-Arms for Thea Fia. She enjoys skating, swimming, and ice skating. After graduating, Faye wants to do Laboratory work.

Gloria Ruth Shauf - "Glo" is her nickname, and that she does. "Attention, all Educational Superintendents, Gloria's ambition is to be an Elementary School Teacher." Much success to you, Gloria.

Elaine Mae Sorensen - Elaine is one of our cute senior girls who is always busy. She likes to skate, water-ski, snap pictures, and eat Chinese food, but doesn't like people breaking promises. Elaine has been in the choir two years, band three years, triple trio one year, and also Secretary of Seminar. She plans to be a Medical Secretary. Incidentally, just listen sometime to how well she plays the piano.

Barbara Jean Stringer - "Barb" is quite a gal, as those who know her will readily agree. While spending four years at S.V.A., she has been Secretary of the Junior Class and Secretary of Thea Fia, '56. She dislikes noisy people on Sunday mornings, and is extremely fond of food, skating, swimming, and "pestering" Mr. John, her boss. We are certainly glad to have you in our class, "Stringbean," and wish you lots of success as a Legal Secretary.

Donna Jeanne Thomason - Donna is one of our small, neat seniors. You can recognize her by her long, pretty hair. She was the assistant Secretary for Thea Fia first semester of '56, and likes horses, pretty music, drawing, and laughing. Her ambition is to become a Dental Nurse.

Herbert Parmalee Tyler - "Herb" is quite an athlete and wherever sports are, you will find him. He plays basketball and is quite handy on hitting that basket. He is also a terrific swimmer and this is one of his favorite pastimes. He dislikes Spanish with great intensity. He is in the band, and plays the "sax" extremely well. He hopes to be a Chemist and we wish him luck.

Connie Sue Tucker - Connie is one of our resident students. If she is in a bad mood when she gets to school, we know she was detained by a slow driver. We all have come to depend on her in the track meet, as she is the star of the senior girls. She lives on a farm and is very interested in horses. Her by-words are "all the time anymore." Her ambition is to be a Secretary.

Joan Maire Twing - Joan is known to most of us as "Joanie," and is one of the more quiet girls in our class. She loves to read and some day plans to be a Secretary. Her dislikes are rising bell and working in the bindery. She also enjoys horseback riding and is a good-natured girl.

Colleen Wagner - A very ambitious girl, her goal in life is to be a Medical Secretary. Colleen is a typical student who dislikes noisy roommates early in the morning. Ironing white shirts in the laundry is another one of her dislikes. Sleeping, swimming, and giggling are some of her favorite pastimes. Colleen is liked by all and is fun to be with.

John Henry Wagner - Johnny is one of the tall boys in the Senior class, who is over six feet. He has been pastor of his class both his Junior and Senior years. Johnny was also President of Sigma Beta Chi for first semester '56-57. Among his likes are sports and eating. He dislikes staying up late at night. John's aim in life is to be a Dean of Boys, and he will certainly make a good one.

Neil Lewis Wagner - We are very proud of Neil for his contributions to S.V.A. Neil won first place in our Oratorical Contest, and also won second prize in the Columbia Union Oratorical Contest. Neil has been pastor of the Boys' Club. All of this has given him some practice in his future life work. He plans to be a minister. Neil especially likes music and nature. He also enjoys eating.

Charles Russel Webster - Charles, known to all of us as "Charlie," came to Shenandoah four years ago. During that time he has been Secretary of Sigma Beta Chi, a Sabbath School teacher, and Mr. Di Biase's right-hand man in Jensen Hall. He also has participated in the band and numerous other activities. He has a Southern accent and a friendly personality. He wants to be a Minister. Lots of success to you, Charles.

Charles Henry Wilkens - As well as being President of his Junior and Senior Class, Charles is a well-recognized honor student. He has one of the highest scholastic records here at S.V.A. - almost all "A's." He likes to play football, basketball, and ping-pong, and is always into something on the campus. He has a friendly smile for everyone, and can usually be seen trying his best to pester some poor person in good-natured fun. He has been in the choir, band, Seminar, Sabbath School, and Editor of the Shen-Val-Lore. His ambition is to become a Medical Missionary and we are sure he will make one of the best, as he is tops in everything he chooses to do. Best of luck to you from all your fellow classmates.

Jeanne Nadean Woodruff - When someone calls "Hey, Beanny," everyone knows they are calling Jeanne. I am sure you have never heard of a School Teacher being called Beanny, but that is Jeanne's ambition. One of her pet peeves is girls who fuss when they have to iron their boy friends' white shirts.

Harrel Woolford - "Hey Goose!" Now everybody knows who "Goose" is. None other than Harrel. Harrel is known at Shenandoah for his ability to give novelty readings, such as "Foolish Questions" and "Nuttin." He has been secretary for Sigma Beta Chi, and served on the Shen-Val-Lore staff. He has been President of the boys' club the second semester, and is thought a lot of by all of the fellows. His ambition is to be a minister. You may have never heard of a goose being a Minister, but who knows? He may be the pastor of your church someday!

Dale Walter Ziesmer - From Virginia's capital comes a very prospective Medical Doctor, Dale Ziesmer. His interest in Sciences will be of great help to him. You can easily tell he likes music as he has been a band member and also a choir member both years that he has attended S.V.A. He has been Sergeant-at-arms of the Senior Class, and can often be heard to say, "Shut up, you guys!" He really enjoys life and usually takes things rather easy. He also likes to take pictures with his camera and electronic flash.
