EDITOR'S MESSAGE

"Our Shenandoah"

Principal's Message

Dear Shenandoah Valley Academy Family:

As this chapter of the history of our school comes to a close, I'm thankful for this book to help us all remember the 2022-2023 year. We have journeyed, under "the big Virginia sun," together. As we go our separate ways for the summer, let's commit to guard the memories, to treasure the friendships, and to build on the spiritual growth we have chosen.

What will you remember from this year? For many of us it will be the mission trip to Campeche, Mexico, the music trip to Europe, the trophies we earned at the MLK Tournament, the warm winter and early spring. Or it could be something more private. A quiet conversation, a walk in nature, a meaningful time of prayer, times of laughter, times of tears. These memories will fade, the hurts will soften, and the joys will get sweeter with time. Yes, the times we spent in the Virginia sun will glow brighter with the passage of time.

Can I ask you a few more questions? What happened this year that will make a positive difference for time and for eternity? Did you find true friends? Did you struggle mightily and overcome in a difficult class? Did you get stronger physically, emotionally, spiritually? Did you gain a deeper understanding of the love that the God of the universe has for you? Did you decide to allow Christ to do for you what you cannot do for yourself?

I hope that the truth of our Bible verse for this year will grow brighter and still brighter in your life. It's Ephesians 3:17-19 and it says, "...that Christ may dwell in your hearts through faith; that you, being rooted and grounded in love, may be able to comprehend with all the saints what is the width and length and depth and height—to know the love of Christ which passes knowledge; that you may be filled with all the fullness of God." This is our sincere prayer for you.

Now, as always, we wish for you loving relationships, success in its deepest sense, victory in the conflict between good and evil, the perspective that comes through prayer and Bible study, and fullness of life in Christ every day.

Donald Short

Principal

Dedication

This yearbook is dedicated to Pastor Timothy Harley, better known as "PH!"

PH has been a part of the SVA family for 34 years. He has taken on many roles during his time here. He started as a full time Farm Manager. He woke up at 4:30 AM and drove a tractor trailer from the Box Factory to the Little Debbie Factory, returning at 7 AM to the campus and teaching his Sophomore Bible Class. He has taught Freshmen Bible, World History, and Agriculture. In 1996, he became the assistant chaplain. In 2003, he became the head chaplain, and began teaching Junior and Senior Bible and a Christian Leadership Class. He has been teaching Sophomore and Senior Bible and College Bible for the past 15 years. During all this time, he has also been taking care of a 1000 tree fruit orchard here at SVA. He has managed the Mission Sale for the past 20 years.

PH's Favorite Bible Verse:

"But those who wait on the Lord shall renew their strength; They shall mount up with wings like eagles, They shall run and not be weary, They shall walk and not faint."
-Isaiah 40:31

Memories with PH:

"PH for me was one of my favorite staff members, and a great example of love, honesty, humility, and care. I will always remember him as someone who cares about every student, someone with a lot of knowledge, someone very affectionate with everyone and someone very funny. PH was a great mentor for me I would always keep him in my mind as one of the best pastors that I've ever met. I had 2 religion classes with him and I went to a mission trip with him I can only say that he was a blessing in my life. I will pray for him and I wish him the best! You will always be in my heart PH! Saludos chico."

-Cassandra Zelaya

"I thank him for being so patient in class, helpful and encouraging, having a youthful spirit, and faithful to God and to us. He has been so generous to me, and has been such a great, fun boss when I work for him. My best memories are when he takes us on marvelous hikes, and talks about his experiences. He is so active in our school, our lives, and I keep learning from this trusted mentor."

-Alandra Dahlberg

"Work, senior survival, and just everything"

-Cynthia Alejandre

Farewell & Thank You

"There is always light, if only we are brave enough to see it.
If only we are brave enough to be it."

-Amanda Gorman

We would like to recognize PH, Mrs. Dean, Dean Rita, and Debbie White. These 4 very special people have given a combined 99 years of service to SVA. You will be forever remembered and cherished. Thank you for seeing the light in each SVA student, and for being the light when so many of us needed it.

Wendy Dean

Mrs. Dean has been at SVA for 28 years. She has worked as the SVA Registrar since 2003. Prior to this, she worked with SVA Recycling as a supervisor and industry manager. She has served as class sponsor, village dean, and she can always be found smiling as she helps administration, students, and parents.

"Mrs. Dean is the best. I really appreciate her smile and hugs."

"Mrs. Dean has always been so sweet and helpful. She's like my mom away from home."

Rita Miller

Dean Rita has been an Assistant Dean in the Girls Dorm for the past 14 years. Before that, she worked as a Rubbermaid industry supervisor, and also worked in the business office with Debbie White.

"Dean Rita is such an amazing role model! I appreciate everything she has done, from deaning to J2B!"

"She is funny and cooks really well. Super sweet and listening."

Debbie White

Mrs. White has worked in the business office for a total of 23 years. She opens the school every morning at 7:10 AM. She always cares for co-workers and students like family.

"Mrs. White says good morning to me each day as I enter the school. Her smile is always a good start to my day."

We will miss you!

Joan Hsu

Mrs. Hsu taught Art class. Some techniques learned were sculpting, self portraits, screen printing, Art history, sketching, watercolor, and many cool projects. The end of the year Art show was so much fun-especially the Boba tea!

Kianna Mohns

Ms. Mohns taught science at SVA. She had a science club this year and there were fun field trips, dissections, and labs. She also has the best school spirit!

Vernal Roseval

Dean Rose helped hold down the Boys Dorm. What a job! He spent quality time with the students, while also keeping them in line.

Stephanie Powell

Dean Powell has been the head Dean of Women for SVA for 7 years. Her dorm room talks and girls retreats will be greatly missed!

Darlene Anderson

Mrs. Anderson has been our amazing school nurse for 9 years. Her best memories are going on trips with the students and also experiencing how very present God was to help keep school open during COVID.

FALL

Registration

Let the school year begin!
This year, we were able to
use the brand new Zirkle
building addition to the gym.

It was a great space to
mingle with teachers and
friends, and register for
2022-2023 classes.

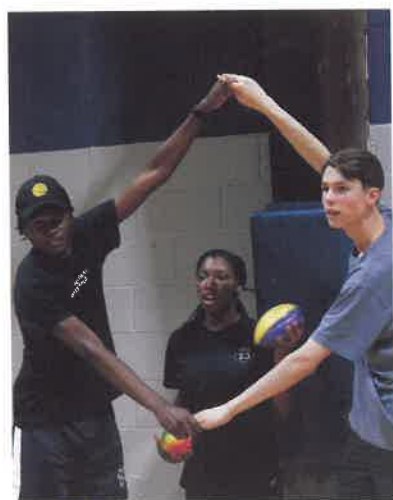

Handshake

With everyone back on campus, handshake is the first official "hello." Each student, teacher, and staff member are able to shake hands with one another. The seniors get to wear their Burger King crowns!

Almost Anything Goes

Almost Anything Goes is an event run by our Student Association. This event is a class on class competition filled with fun games like shoe throwing, balloon popping, chariot racing, and mattress surfing.

Senior Survival

Senior survival is a week long survival retreat. During this retreat, the senior class goes out into the wilderness and has to survive the elements. They sleep outside, bathe in the river, and do fun team building activities while learning about God.

SA Picnic is a SVA tradition. We look forward to the start of each year with this classic event. At picnic we have competitive class on class games, pool and rec time, and this year, delicious hot-dogs were grilled by Mr. Powell

SA PICNIC

PRACTICE TRUSTING GOD WITH THE LITTLE THINGS. TALK TO HIM ABOUT YOUR DAY-TO-DAY ACTIVITIES, ASK HIM FOR HELP WITH SCHOOLWORK, INVOLVE HIM IN YOUR EVERYDAY LIFE. I WAS GREATLY BENEFITED BY DOING THAT. I GOT INTO THE HABIT OF TALKING TO GOD ABOUT MY WORRIES, ASKING HIM TO HELP ME FIND LOST THINGS OR PASS HARD TESTS, AND THANKING HIM FOR THE LITTLE PLEASANTRIES IN LIFE. THAT MADE IT EASIER TO TRUST HIM WITH BIGGER THINGS LATER ON.

Sarah

As a mom and dad all you want in life is for your children to be healthy, happy, and a follower of Jesus. We thank God we got a Sarah! From here early childhood we knew Sarah was extra special. She was funny, loving, and kind to others. Sarah always cared about people. Her nickname given by those who knew her was "Sweet Sarah."

When you think of the word Grace, we understand this great love from a mighty God who gives mercy to those who do not deserve. Sarah is a reminder of God's grace to us. She teaches us always to be nice and kind and love others. She doesn't have to tell us her actions speak louder than words.

Sarah, we love you more than you could ever know!

Tessah Zimmerman

Dear Tessah,

Being your parents has been a wonderful joy. You have always had a maturity about you that makes our worries about your decisions disappear. Although we often think of you as that happy little girl doing her "happy dance" at all the right moments we know that you are now a woman and are taking the love that we have for you and God into the world to find your own way.

Our role as parents has changed. We are here as a sounding board for you to talk your way through decisions and issues as they come and go. We will always be ready and waiting. We love you deeply and look forward to your future. With all our love, Mom and Dad

Anaiah McCalla

As we look at all you have accomplished by the grace of God, we cannot help but to praise the Lord for His goodness in your life. You have grown to become a loving, caring, and responsible young leader. We appreciate that you are trustworthy, focused, and responsible, words fail to express how proud we are of you. Your future is bright with endless potential to be everything the Lord puts on your heart. No matter how difficult times may get, remember to trust in the Lord with all your heart. Lean not on your own understanding, but in all your ways acknowledge Him and He will direct your path. We are here for you, and we love you.

Always,

Mom, Dad, III, and Simone

Juliana Mendez

One of the greatest joys of life has been witnessing this sweet little girl grow up to be this beautiful and kind person.

We are so proud of the young lady you have become. You are thoughtful, honest, consistent, humble, selfless, authentic, passionate, loving, smart and the most important thing is that you love God with all your heart.

We do not know anybody who works harder than you at everything you do. Always follow your dreams and know that you can do anything that you set your mind to. You have all the tools and knowledge inside of you to continue to be successful but know that we always will be here for you to listen and to help because we love you so much.

I have faith that God will fill your life with many blessings, and that the Holy Spirit will always be with you.

We look forward to supporting you through your next phase in life and always remember that you can count on us.

We are so blessed to be your parents, we love you unconditionally.

Carrie White

Dear Carrie,

When we met you 18 years ago in the Woodstock, VA hospital, we had no idea what to expect. We were struggling new parents without a clue! You turned our house into a home and our marriage into a family. As you grew, we did too! We all evolved into our new roles. We cherish those early memories with our new Bugaboo. Before long, you were talking, walking, and running. You went to grade school and made good friends. Fortunately, many of your friends joined you at SVA. You were gifted academically, but you also developed a drive and study habits that kept you always doing your best. Since you announced in grade school that you wanted to be a doctor, we have admired your determination to achieve that goal. We wonder where you got such determination, since neither of us had it quite like that! As you go off to college, remember that we will always love you. You cannot change that. It is a stubborn fact. And even more certain, God loves you. He has given you opportunity and salvation. Seize both.

Much Love,

Momma and Papa

Lucas Ferraz

Dear Filho,

Dear and beloved grandson Lucas,

I thank God for you being a kind, helpful, obedient and hardworking boy, thank you for being so dedicated to your family. Congratulations on your efforts. God will certainly continue to help and bless you in your academic future as He always has. Love you forever,
Vovó Irene.

Congratulations Lucas, for your dedication and struggle in the pursuit of this achievement! This achievement today is just the beginning of a successful future that God is preparing for you. Your willpower and persistence, united with God's blessings, will take you to places you've always dreamed of. Count on us for whatever you need. We love you!

Arnaldo, Elen and Arthur

Dearest Kylie,

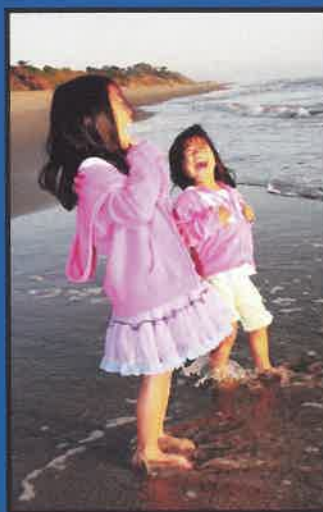

It doesn't seem possible that we are here at the cusp of your high school graduation. It hasn't always been easy, with God leading our family back and forth across the country. You've had to continually make new friends while navigating through seven different schools, but here you are, ready to close out this chapter of your life and begin a brand new one.

It's sometimes difficult for us to recognize that you are no longer the little girl that we have raised. You have grown up to be our greatest blessing in spite of our imperfect parenting, and we are so proud of what you have become.

Our prayer is that as you prepare to leave home, you will continue to follow God's leading. He will help you achieve more than you could ever hope for. Keep Jeremiah 29:11 in your heart: "For I know the plans I have for you," declares the LORD, "plans to prosper you and not to harm you, plans to give you hope and a future."

We love you so much and we will always be here for you.

Love,
Mom and Dad

Kylie Hsu

Dear Kylie,

I can't believe you're leaving high school already! I'm really going to miss you. I loved being with you at school. Every single day when you'll be in college, I'm going to miss our moments when you were here with me at home. I wish you a successful path down a happy road. Hopefully, we can still have that sister bonding trip sometime before you go. I love you Kylie, I always will, no matter what!

Nathaniel,

We don't know how we are at this point in your life. You have been busy and on the go from the very beginning. We should have known when your first words after "mama" & "dada" were "I got it".

You do "got it".

You are kind, adventurous, smart, patient, generous, independent, and determined. You're able to do anything you put your mind to. Our prayer is that you have Jesus as your guide, in your heart, and let your love for Him shine.

We are excited as you enter a new stage and want you to know how much we love you.

Emma Davis

Our Sweet Emma, You have filled your world and ours with sunshine since you were born. You have always been such a happy girl who loved to laugh and sing and create beauty with your hands. As you venture out into the world, never forget you are never alone. You have an earthly family and a heavenly family always by your side. Never lose sight of who you are and how important you are.

You are loved! Mom and Dad

Emma, my precious, you are an incredible person and we adore you. It has been so fun to spend so much time together. God has blessed you with so many talents. Keep Him first in your life and you will be successful your whole life.

We love you so much, Mimi and Baba

Emma is involved in many school activities and is a faithful, hard worker. She is a gifted artist and a perfectionist. She has an unusually sharp memory for numbers. Her fair skin and long blonde hair make her stand out in a crowd.

We love you! Pop Pop and Nana

Dear, sweet Emma, From the day you were born, you have been the sweetest little girl, never wanting to bother anyone or put anyone out. I remember when we were camping, you coming up behind me, trying to get my attention, saying, in your precious little, tiny voice, "Excuse me; excuse me; Aunt Rochelle." And more recently, you were probably the only kid I've ever met who, after the test, still wanted help because you wanted to really *know* the information, not just memorize it for the test. You are one in a million, Emma. You have amazing goals. Keep your eyes focused on them and don't waver. You are going places, sweet girl! I can't wait to see all your successes!

I love you. Aunt Rochelle

Emma, you have always carried yourself through the world with quiet peace. As you have grown, you demonstrate creativity and initiative with all you do. In this next exciting chapter, you will get to apply those gifts as you imagine the beautiful life you create for yourself.

Zion Calvin

Zion was born on November 3rd at Saint Mary's Hospital. He is the youngest of three boys. During childbirth he didn't take too long to come into this world. He was surrounded with lots of love. His grandma Tita was there during your delivery. She was proud of you.

As you grew up, we continue to discover your true calling, a very caring and selfless person. Zion always shared his toys and food; even with his invisible pet. The only thing he would not share as much was his Play Station, specially if you beat him on NBA 2K.

As you navigate into this new journey of young adulthood, you will always be our loving and caring "baby" Zion. Congratulations on your graduation and may God continue to bless you and extend your territory. Remember to do your best and God would do the rest!

Sincerely,

Your mom, Dominique, Iverson, Messiah, Tita, Tia Karima and Tia Tashana, Tio Ponce and the rest of the family.

Abby Nichole Burks

Dear Abby Nichole,

Congratulations on graduating! You have accomplished much, and even though you have been tested, you have made it through with grace and we are very proud of you.

Our advice to you in this next phase of life is to; love without fear, give more than you get, live a life of sacrifice by making time for others, fight for those who are weak, speak out for freedom, never give up your faith and most importantly, keep your eyes on Christ.

Your beautiful baby from the outside in. Chase your dreams but always know the road that'll lead you home again. Go on, take on this whole world. But to us you'll always be our little girl.

Ellie Anderson

Our Dear Ellie,

It seems only yesterday you were a tiny snuggly newborn! Before long it was evident that you loved wholeheartedly - your stuffed and real animals and your people. And from an early age you have loved Jesus with your whole heart, too. We are so blessed to be your parents! Your sweet sincerity, devotion, warmth, steadfast commitment, strong leadership, gentle spirit, and fierce drive are a blessing to all around you. We love that you use your plumbing skills to help those in need, that you work hard farming in the Oklahoma heat, that you reach others with your gifts of music, drama and so much more. A God-given gift has been wrapped up in you! Go forth, our precious girl, and share Jesus with the world. You are the delight of His eyes!

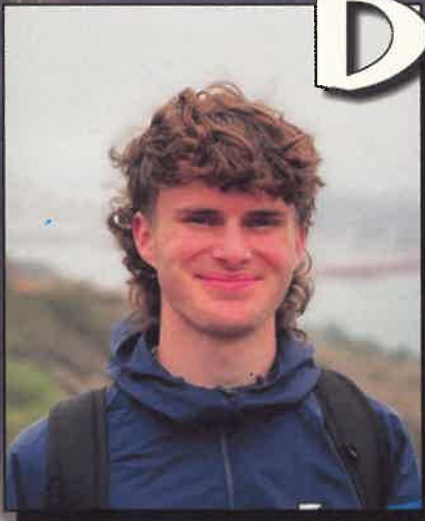

With all our love,
Daddy and Mama

I'm so proud of you Bella! So excited to be at Southern with you.

H E S S

Nya,

Words cannot begin to express how much we love you. From your first day of kindergarten to now graduating after four years at SVA, you have blossomed into a beautiful young lady—inside and out! You are intelligent, compassionate, kind, persistent, musical, athletic, and we could go on and on. The last four years have not been easy and Covid made some years far more difficult than others. But we are so incredibly proud of how you continued to push through those difficulties and have emerged as a beautiful butterfly. God has given you so many talents and gifts and we hope you will continue to use them to glorify Him. As you begin this new chapter in your life, continue to put God first, give everything you have to anything you pursue, always be kind to everyone you meet, and most importantly, continue to just be you. Again, we are so proud of you and love you so much!

Love,
Mom and Dad

Nya Walker

Our Nathan,

Well, I can't believe we're finally here. Someone told me once when you and Sam were little, that the days go slow but the years go fast. Yep! Seems like for most of yours, our family was in survival mode: Surviving mom battling cancer your first nine years, surviving her death, surviving AJ joining our family and becoming your second mother, surviving dad learning how to be a Mr. Mom, surviving the transition to SVA the middle of your sophomore year. You know, I laugh with your Aunt Jan that there is something worse than dying...going on as the living.

Son, all those years when I felt overwhelmed and that it was more than I could bear, every time I looked at you, I saw your mom, her quiet strength in you and we'd go on another day. You would have never understood how every day you outgave me in what I was able to do for you.

But the greatest experience of my life with you was about a year after your mom had died and you said to me at ten years old - "Dad, I want to get baptized, give my life to Jesus and live with mom forever". We may have been in such a state that you wouldn't even be able to remember articulating it that clearly, but that is verbatim what you told me that day kneeling by your bedside with you as I've done every night since you were born, whether you were away at SVA or not. Shortly after, you were baptized.

The second highlight of being a parent was the day last year at Blue Ridge when your brother Samuel followed in your footsteps. You have no idea how much he looks up to you, Nathan. And you have no idea how much both of your mothers and I adore you and are so proud of you, our son.

Love, Dad

Nathan Onoffrey

Evan Young

Dear Evan,

We have so many happy memories with you. From the time you were little, we've seen your love for your family and others. You've always had a kind heart toward both animals and people, and took gentle care of our cats. You always had great hugs for us and others. You've been curious and enjoyed learning about your world. You've loved exploring science museums, doing science experiments, riding your bike, reading, swimming, and music.

We're so proud of the man you have become. You have a good sense of humor, a broad taste in music, and you are a very good student. Most importantly, you are kind and compassionate.

I (Meghan) love how you're so logical yet very caring at the same time. I also love listening to music with you. Thank you for wanting to spend time with me. You have shown me how to have good conversations when others see things differently.

We've always loved you deeply and felt deeply loved by you. We know you will continue to be great in life, because you've already had such a fantastic start. Your love for learning, enjoying life, and empathy toward others are a great foundation for your life ahead. We praise God for you, and we know He will use you to help make the world a better place.

Love,

Mom, Dad, & Meghan

Nathaniel Fairbank

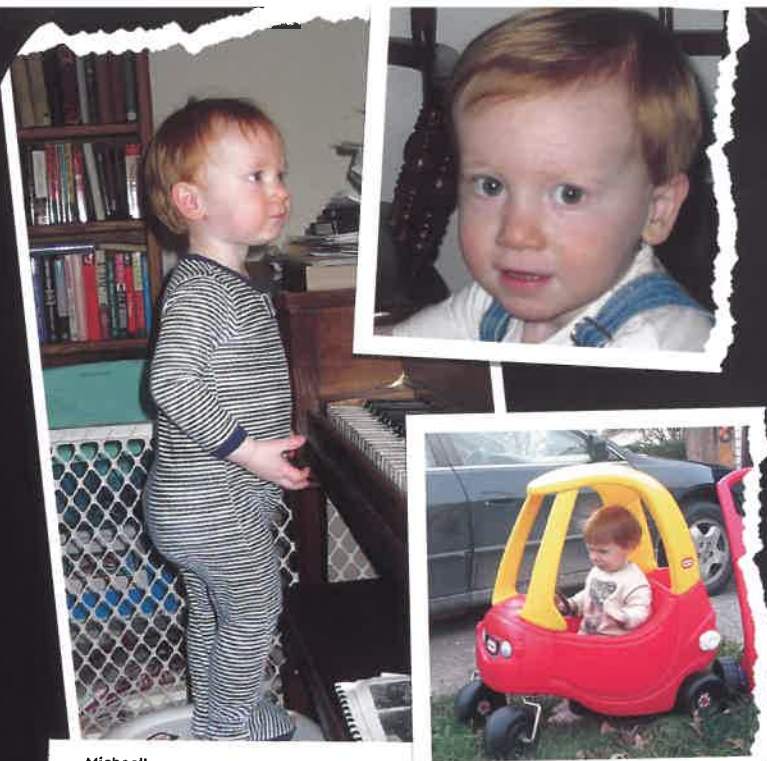

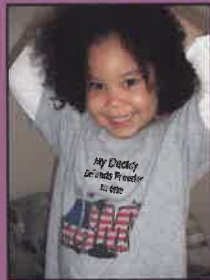

Dear Nathaniel, We are so proud of the young man you have become, and we are filled with joy to share this moment with you. Love Mom, Dad, Kendra and Spencer

Alexandra Jackson

Our precious Alle,

I couldn't be more proud of the young woman you've become! I thank God DAILY for gift of you; I couldn't ask for a more wonderful daughter. As you close this chapter and begin an even more exciting and challenging one, there are 4 passages of scripture that I pray you'll keep in mind: Jeremiah 29:11, 1 Timothy 4:12, James 1:5, and Proverbs 31:30. My prayer is that "the Lord will hold you in His hand for all to see - a splendid crown in the hand of God" Isaiah 62:3. I love you Sweet Pea - Mom

You won't remember this...but the first time I looked into your wide inquisitive eyes, as a baby, I asked, "Who are you...?". 17 years later, I know: An incredibly bright and beautiful young woman, who has now completed the first phase of life almost flawlessly. When you were in first grade, I nicknamed you "Straight-A Alle-J", not knowing that you'd actually live-up to that! Words cannot adequately express how grateful I am to have you as a daughter. So, I will simply say that I love you, and the woman you are becoming. May God continue to bless you in all your future endeavors. - DAD

Michael!

It seems like only yesterday that you were shorter than Emily. Now look at you! We're so proud of you and what you've accomplished, and we're eager to watch your trajectory. And don't forget: text your mother when you get to college! We love you!

Para: Nuestra querida princesa Yaritza

De parte de sus padres que la aman mucho.

En una fecha tan especial como lo fue un 07 de febrero nació una personita tan especial, nuestra princesa hermosa Yaritza Astrid,

la cual nos sentimos felices y dichosos por tenerla en nuestras vidas llenando de alegría cada momento. Nuestra querida hija,

te hemos visto crecer y convertirte

en una niña maravillosa.

Hija querida camina por la vida

con valentía y ese orgullo que te caracteriza, sabemos que a veces has sentido temor de lanzarte al mundo sola, pero queremos decirte que en tu caminar debes llevar siempre la frente en alto orgullosa de ti misma, honesta, sincera y sobre todo con esa humildad que te caracteriza, cuando pensamos en todo lo que has pasado para llegar en dónde estás le agradecemos a Dios por haberte guiado en el buen camino, te deseamos lo mejor princesa y que todos tus sueños y metas se te cumplan al lado de tus padres que te amamos infinitamente.

The theme for this yearbook came from our school song
"Our Shenandoah"

The first line is "Where Shines The Big Virginia Sun."
One of my favorite things about SVA is being surrounded by
nature. We are reminded to slow down and focus on God.

I would like to thank my amazing yearbook team. This yearbook
could not have happened without each one of you. To my
co-editor, Sandy, thank you for literally handling all the senior
pages (among many other things!) Princess, thank you for always
talking up front for me and getting all those quotes! Abby, thank
you for being willing to step up and help with whatever was
needed. Thank you Mr. Hernandez for being our sponsor. I would
especially like to thank Mrs. Heilman, Mrs. Knight, and Mrs. Short
for the many, many, MANY, beautiful pictures. To those who
smiled for any camera this year, we appreciate you! We hope this
yearbook reminds you of all the wonderful memories we made in
2022-2023 under the big Virginia sun!

OUR SHENANDOAH

Words by C. L. Ross
Moderato. mf

Music by Russell MacMeans

1. Where shines the big Vir-gin-ia sun And old Dominion's streamlets run,
2. In na-ture's dooryard neatly planned A gift is placed by God's own hand,
3. What blighting frost can chill our seal Or e-vil's fu-ry ev-er deal

From out the Massanutt's cool shade And down great Al-le-gha-ny's glade,
The S. V. A. of sa-cred birth Our own dear school of sterling worth
A blow in madness fit to shake Our faith in thee, O S. V. A.

God's works in na-ture mul-ti-plied Ex-tol His name on ev-'ry side.
Whose be-con lit by gos-pel truth Sheds ho-ly light on paths of youth.
Or cause our strength in future time To fag be-fore thy cause sublime?

CHORUS

O Shenan-do-ah, dear Shenan-do-ah, In thee do we delight to rest

And dai-ly strive to do our best, For Shen-an-do-ah, Shenan-do-ah.
